 E-mail: lagrand@gwtc.net • www.lagrandranch.com

Dear Cattle Friends:

It is my pleasure to welcome you to the LaGrand Hereford Dispersion. We are taking a different approach with our cattle operation and I have decided to sell all the Herefords, including the semen and embryos. This herd was put together with eye appeal and outstanding carcass merits as our top goals. These genetics will definitely strengthen your herds breeding program.

I want to thank our previous customers for their support and friendship over our Hereford endeavors. I have gained many friends and knowledge that I truly cherish. I would also like to thank the ranch crew for their hard work and dedication. We have a very talented group of individuals that help out and without them, this ranch would have a hard time functioning.

You are personally invited for the meal before the one o'clock sale. We will be having an Angus preview later in the day with a steak social from 6 to 7 that evening. The Angus semen and embryo auction will follow with the annual production sale at noon the next day. All of the auctions will be broadcasted via the internet on Live Auctions TV if you are unable to attend. If you would like a DVD of the sale offering, please let us know and we will get one shipped to you.

All of the cattle have passed a blood test for Johnes, BLV and BVD. Also, GeneStar information will be available. If you need trucking arranged, just let us know and we will help you arrange transportation.

Thank you for taking the time to browse through the sale offering. You are welcome anytime before the sale if you would like a preview of the cattle. I hope to see you all on the 12th.

Sincerely,

*Lance LaGrand Pankratz*

ADVERTISING & CATALOG

Prepared by MCS Auction, LLC and Specialized Marketing, (405) 840-5461

Produced by Cori Harrison, CJH Design, (309)533-2697 or [cori.harrison@yahoo.com](mailto:cori.harrison@yahoo.com)

### Transportation and Directions to the Sale Site:

Sioux Falls Airport is served by Northwest, United and American Airlines and is located approximately 53 miles from the sale site. From the airport, go west on I-90 for 32 miles to Exit 364, Salem/Yankton. Turn right and go north on Hwy. 81 for 16 miles. 11 miles north of Salem, S.D., on the east side of Hwy. 81. LaGrand Ranch will gladly meet your flight given prior notice. Sale held at LaGrand Angus North, the former Bon View Farm, Canova, S.D.

About one hour northwest of Sioux Falls.

### Accommodations:

Kelly Inn and Suites

1010 Cabela, Mitchell, SD

(605) 995-0500

(800) 635-3559

Please Ask for the LaGrand Ranch block of rooms.

Ramada Inn Airport

1301 W. Russell St., Sioux Falls, SD

(605) 336-1020

Sheraton

1211 North West Ave., Sioux Falls, SD

(605) 331-0100

Freeman Country Inn

Hwy. 82, Freeman, SD

(605) 925-4888

Holiday Inn

1625 W. Havens St., Mitchell, SD

(605) 996-6501

Upon request, LaGrand Angus will be happy to make reservations for you.

Please call Malynda at (605) 925-7611.

### Herd Health:

All cattle will be accompanied by proper health certificates for immediate shipment.

All LaGrand cattle have passed a blood test for Johne's, BLV and BVD PI. Even though the serum test for Johne's is a good monitor of herd health, it does not guarantee absence of disease. Infection with Johne's is best determined with a fecal culture that takes four months. All cattle have received Vira-Shield 5 with Corona, Lepto and 7-Way Clostridium. They are immunized for both Type 1 and Type 2 BVD, Rednose, Para Influenza and BRSV. They also received a mycoplasma bobis, fusobacterium, pinkeye vaccination, type A and two doses of one shot.

### Livestock Morality Insurance:

A representative for American LiveStock Insurance Company will be available to assist you with morality insurance for your purchases.

### Sight Unseen Policy:

LaGrand Ranch will guarantee 100% satisfaction on any lot purchased by a sight unseen order or they come home.

### Trucking:

Shipping will be buyer's responsibility. LaGrand will have a list of truckers available and will help arrange shipping.

### Terms and Conditions:

Cattle will sell under the Terms and Conditions as recommended by the American Hereford Association.

Dam of Lot 1

*Remitall Catalina 24H*

Generating over \$1 million in progeny sales, Remitall Catalina 24H is the foundation of the most influential cow family in the breed today. Through her many sons including Online 122L, Olympian 262L, Pounder 204P, Nationwide 93N, Route 66 346R thousands of Hereford pedigrees now carry her strong genetics. This amazing set of females all trace back to Hilger Mode Ramona APHA a super female that came to Remitall in 1975 with the purchase of the complete Coppertone herd. The Hilger herd was based out of Helena MT. The cattle performed in high altitude ranch conditions with no tolerance for anything but sound functional individuals. Now ten generations later the newest Catalina's are here, designed and molded to be the next leaders in the Hereford breed.

Selling five pregnancies out of this full sister to Online, Remitall LaGrand Catalina 34N, and sired by Remitall Patriot ET 13P. 34N is a direct daughter of the famous Remitall Catalina 24H whose progeny have generated over \$1,000,000 in sales for Remitall. 24H was purchased for \$140,000 for half interest by LaGrand Herefords, and was the 2000 Canadian National Grand Champion female and has produced three Canadian National Grand Champion bulls and two time US Denver National Grand Champion Bull Remitall Online 122L. This mating combines the genetic excellence of the Catalina line with the power and performance advantages of Patriot, the \$195,000 Canadian National Champion Bull in 2004.

This Online daughter represents both genetic strength and visual appeal. Online topped the 2001 Remitall Production Sale at \$92,000 for half interest going to the U.S. Syndicate. Genetically being linebred to Keynote 20X sets a powerful package. His sire, Embracer 8E, probably offers more performance for a sire with a below breed average birth EPD at 3.1 as any in the breed. 21N Ranks in the top 5% for SBMI, top 10% for SBII and SCHB, and top 20% for BW and SCEZ.

357H traces back to the Big T Lauren cow, one of the two females that Star Lake would not sell in the Big T cow herd sale. Her look from the side exemplifies her unique ability to combine balance and body depth, with added bone and stoutness. A daughter, STAR Spiridge Angela 306M, sold for \$30,000 in the May 2005 Star Lake sale and a heifer pregnancy from 357H sold for \$5,000 in the 2005 LaGrand Production sale.
